

Charles C. Gales, P.E.  
Weldon Solutions  
Manager of Automation Sales

Charlie has a Bachelor's Degree in Mechanical Engineering and an MBA. He is a licensed Professional Engineer and holds four U.S. patents. With thirty-five years of experience in design, management and sales, he works with manufacturers to improve their processes, safety and efficiency through robotics and automation. Charlie has managed turnkey projects for manufacturers of all sizes. As Manager of Automation Sales at Weldon Solutions, Charlie visits companies across the country in industries ranging from automotive to food and almost everything in between. With a focus on material handling, machine tending and material removal applications, he works with Weldon's engineering staff to develop practical solutions to manufacturing challenges.
